

Cenegi Managed Security — Simple, all-in pricing

\$250 monthly minimum + straightforward per-endpoint tiers.

What's included in every plan

-  Backups that actually restore (we test & verify)
-  Real-time detection & guidance (24x7 triage)
-  Endpoints protected & patched (EDR + RMM)
-  Network visibility (Cenegi sensor on-loan)
-  Monthly report with clear actions

Monthly pricing (workstations + servers)

Endpoints	Monthly price
1–5	\$250 flat minimum
6–19	\$45 / endpoint / month (<i>min \$250</i>)
20–49	\$40 / endpoint / month
50+	\$35 / endpoint / month

Agents, SIEM, EDR, RMM, patching, vuln scans, monthly reporting, and one site sensor where applicable—no extra agent fees. On-site support (optional): \$50/hr by appointment.

One-time onboarding

- Onboarding & baseline hardening: \$45/endpoint (min \$250). Sensor setup \$0.

Quick example

- *5 endpoints* → \$250/mo • *15 endpoints* → \$675/mo
